

Suitable for a range of face sizes and shapes, the ULTH3V is a superior mask that offers excellent results when Face Fit Testing. The ULTH3V is suited to a wide range of applications with its 4-point adjustment head strap, soft inner seal for improved fit & comfort and a nose band for a fit that is unrivalled. With the latest FFP3 filter media technology, this mask, and its unique larger diaphragm, offers lower breathing resistance and greater efficiency for the wearer, whilst still maintaining the highest level of protection.
